System3 Fluid Acrylic, is a high flow formula which consists of lightfast pigments, ensuring excellent colour permanence, richness and intensity.

- Fluid acrylic is ideal for pouring, dripping and other liquid art techniques
- The Fluid range is compatible with: System3 Acrylic, System3 Heavy Body System3 Ink, offering a full suite of viscosities to support all acrylic techniques
- Provides excellent coverage, making it perfect for murals and large surface area applications
- All colours in the range are intermixable, permanent and water-resistant once dry
- The Fluid Acrylic 29.5ml bottle features a very fine nozzle, providing excellent precision and control for detailed work. It can be easily cleaned and refilled, offering convenience and reducing waste. This reusable bottle is ideal for creating fine details, writing, relief work, and 3D effects.
